Enthusiastic recent graduate with a strong academic background and a passion for technology, seeking an entry-level position in the IT sector. Dedicated to coding excellence, problem-solving, and continuous learning. Eager to contribute my technical skills and innovative mindset to a dynamic team. Immediate joiner, ready to make a positive impact in a growth-oriented IT environment.

Education

BACHELOR OF ENGINEERING , **BARKATULLAHA UNIVERSITY INSTITUTE OF TECHNOLOGY , BHOPAL** – (2019 - 2023)
BRANCH - **INFORMATION TECHNOLOGY** (7.36 CGPA)

12TH , **GOVT SUBHASH HIGHER SECONDARY SCHOOL, SHIVAJI NAGAR , BHOPAL** – (2017 - 2019)
MAJOR - **PHYSICS , CHEMISTRY , MATHEMATICS**

Skills

Expertise	**Java SE , Java EE , Spring , React Js , Data Structures & Algorithms , OOPS .**
Intermediate	**C , C++ , SQL , Js , Git , AWS-RDS , Oracle Cloud Infrastructure .**
Basics	**Computer Network , Python , Html , CSS .**

Certifications & Achievements

- **JP MORGAN & CHASE (SOFTWARE ENGINEERING VIRTUAL EXPERIENCE) , ISSUED BY FORAGE**
- **JP MORGAN & CHASE (AGILE VIRTUAL EXPERIENCE PROGRAM) , ISSUED BY FORAGE**
- **CONDUCTOR OF 'CODING CONTEST' , (MANAGING TEAM OF 5+ SUB CO-ORDINATORS) , B-UIT , BHOPAL**
- **PROJECT GUIDE , (MENTORSHIP - SOLVE DOUBTS OF 1000+ STUDENTS) , SHARMA COMPUTER ACADEMY - BHOPAL**

Work Experience

INTERN SOFTWARE DEVELOPER ENGINEER , A2 INFOTECH PVT LTD , BHOPAL – (MAY 2021- MAY 2023)
Role & Responsibilities –
– Played a vital role in the complete **software development lifecycle, spanning from gathering initial project requirements deployment** and **ongoing maintenance**, with a focus on both web and desktop applications.
– Designed and crafted **user-friendly interfaces,** ensuring a seamless and **responsive user experience** across various devices.
– Collaborated harmoniously within **cross-functional teams comprising developers,** product managers, and designers, leading to the timely and cost-effective delivery of projects and notably improved customer satisfaction.
– Led regular code reviews, proactively identifying areas for **enhancement** and **consistently implementing** industry best practices to elevate code quality.
– Successfully diagnosed and resolved software defects, achieving a **30% reduction in reported bugs** within the initial **6 months** of tenure.

- Assisted in the development and testing of software applications, gaining hands-on experience in **Java** and related **technologies.**
- **Collaborated with senior developers**, actively **contributing to team projects** and **learning best coding practices.**
- Gained insights into **software development methodologies** and acquired practical knowledge in **real-world project scenarios.**
- Demonstrated dedication and a **quick learning ability**, making **valuable contributions** to the team's objectives.

Projects

TEKNISKA CODING APPLICATION, COLLEGE MAJOR PROJECT , BHOPAL – (APR 2023 - PRESENT)
The **Tekniska Coding App** is a web-based platform that hosts coding contests, enabling participants to showcase their skills, receive real-time feedback, and compete in a thriving coding community.
- Web-based platform for coding contests and skill development.
- Participants can compete in coding challenges and receive real-time feedback.
- Coordinators manage contests, participants, and questions efficiently.
- Administrators oversee system administration and user management.

Modules -
- **Admin Module** - Manage whole administration level functionalities for technical part.
- **Coordinator Module** - Add Contestants , Add Questions or quiz in contest.
- **User Module** - Appear In contest and have to write a code.

Tools & technology used -
- **Code Editor** - Sql Developer , VS code , IntelliJ Idea.
- **technologies** - Java Se & EE , Spring Web , Html , Css , js , Ajax , JQuery, React JS.
- **API's** - HackerEarth Api V4 , SMTP etc
